

Share Your Talents

Southport u3a is an organisation which is run by the members - for the members. No member is paid for their contributions to Southport u3a, which only exists through members sharing their expertise, passion, hobbies and skills with other members for the enjoyment of all. We are all volunteers.

So, if you have a particular passion, interest or skill in any area that you would like to share with others, please get in touch. With a growing membership, it is essential that we continue to grow the number of interest groups in unison.

You may bring a lifelong hobby enthusiasm; a skill from your days in employment; an interest in music and the arts; a passion for our environment, or maybe you are a great organiser and can help others organise things. If you can help you will be fully supported all the way.

If you are thinking " I am only new, how can I lead a group", never fear. Some of our most successful groups have been led by recent members. It can be very rewarding and a great way to meet people. We can help you if you would like to give it a shot. You might like to help to run an existing and popular group first.

If you wonder what's involved in running a group, there is a group leaders handbook on the website - <https://www.southportu3a.org.uk/wp-content/uploads/2025/05/Booklet-for-Leaders-2025.pdf> or via the “**Useful Information**” tab on the website, then “**Southport u3a Documents**” and “**Governance – Miscellaneous**”.

If this is something you would like to explore please email Brenda Jones – groups@southportu3a.org.uk , telling her a little about yourself and how you would like to help us. Please don't forget to include your name and membership number.

Thank You
